

APPOINTMENT OF SCTV'S NEW PRESIDENT DIRECTOR

Following SCTV's (Surya Citra Televisi) Extraordinary General Meeting on December 11, 2003, we are pleased to announce the appointment of SCTV's new President Director - Mr. Wisnu Hadi to assume Mrs. Lanny Rahardja's role. Mr. Wisnu Hadi previously served as the President Director of RCTI. In line with PT Surya Citra Media (SCM) Tbk's commitment in implementing continuous good corporate governance practice, the shareholders of SCTV have voted to separate Mrs. Lanny Rahardja from her dual posts as the President Director of both SCM and SCTV in order for her to concentrate on the business expansion of SCM. In addition to that, Mrs. Rahardja is also appointed as the Head of SCTV's Internal Audit team.

The management of SCTV hopes that the appointment of the new President Director will help propel SCTV to the next level while expressing our most sincere gratitude for the dedication and commitment that Mrs. Rahardja has contributed during her service at SCTV.

"The joining of Mr. Wisnu Hadi as the new President Director of SCTV will enable Mrs. Rahardja to fully concentrate on the business expansion of SCM for 2004 onwards. As such, further developments of each business entity can be optimised. And, in order to enhance the function of Internal Audit department in such expanding environment, we believe Mrs. Rahardja has the right qualifications and competence to head SCTV's Internal Audit team".
